Section 3. Termination of Membership. Any member who shall be in default in the payment of dues for the period fixed in Article XI of the By-Laws is automatically ineligible for membership and loses all privileges and rights of the Association, subject to the discretion of the Board of Directors to extend such time period for the payment of dues.

Section 4. Resignation. Any member may resign by filing a written resignation with the Secretary, but such resignation shall not entitle such member to any refund of dues and the member shall immediately lose all privileges and rights of the Association.

Section 5. Reinstatement. Upon written reapplication a former member may be reinstated to membership in the Association.

Section 6. Transfer of Membership. Membership in the Association is not transferable or assignable.

Section 2. Special Meeting. Special meetings of the members, for any purpose or purposes, unless otherwise prescribed by law, may be called by the President and shall be called by the Secretary at the direction of a majority of the Board of Directors, or at the request in writing of members representing at least one hundred (100) votes entitled to be cast at such meeting.

Section 3. Place of Meeting. The Board of Directors may designate any place, within or without the State of Missouri as the place of meeting for any annual meeting. In the case of special meetings, the purpose for which the meeting is called shall be stated in the notice. If mailed, the notice of meeting shall be deemed delivered when deposited in the United States mail addressed to the member at this address as it appears on the records of the Association, with postage thereon paid. Notice of meetings may be included in any publication that is distributed to the member.

Section 5. Quorum. There shall be no minimum number of members necessary to be present at any regular meeting or special meeting, in order to constitute a quorum. Those members present shall therefore constitute a quorum.

Section 6. Manner of Acting. The act of a majority of the members present at any regular or special meeting shall constitute the act of the members.

Section 7. Informal Action by Members. Upon approval by the directors, any action required to be taken at a meeting of the members of the Association or any other action which may be taken at a meeting, may be taken without a meeting if consents in writing, setting forth the action so taken, shall be signed by a majority of the members with respect to the subject matter thereof.

Section 8. Parliamentary Procedures. Parliamentary Procedure for all meetings of members, directors, and committees shall be conducted in accordance with the latest revised edition of Robert's Rules of Order, unless otherwise inconsistent with these By-Laws.

When a quorum is present at any meeting, the vote of the holders of a majority of members present shall decide any questions brought before such meeting, unless the questions are ones upon which, by express provision of law or of the Association's Articles of Incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 10.    Matters Reserved to Membership Vote. The following matters shall be authorized only upon a vote "thereon" by the members at a meeting called to consider such matter:

1.     An amendment to the Association's Articles of Incorporation;
2.     The election of the Board of Directors; and
3.     Any other matter which the Board of Directors, in their sole discretion, by resolution shall commit to a vote of the members.

The regular annual meeting of directors shall be held without other notice than these By-Laws. The Board of Directors may provide by resolution the time and place, within or without the State of Missouri for the holding of additional regular meetings of the Board of Directors.

Section 4.    Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) directors. All special meetings shall be held at the registered office of the Association unless otherwise agreed upon by a majority of the Board of Directors in attendance at the meeting.

Section 5. Notice. Notice of any special meeting of the Board of Directors and the business to be transacted shall be given at least five (5) days previously thereto by written notice delivered personally, by mail or through the internet to each director at his address shown on the records of the Association. If notice be given by mail, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the director. Any director may waive notice of any meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. The purpose of any special meeting of the Board of Directors shall be specified in the notice of such meeting.

Section 6. Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors provided that if less than a majority of the directors are present at said meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

## Gateway Medicard

In an emergency, getting vital health information to medical personnel quickly could be critical. Your Gateway Medicard keeps your personal medical profile handy at all times. You'll feel more secure knowing emergency medical personnel will have access to data needed to administer appropriate care.

When you send in your completed Gateway Emergency Medical Data Form, it is reduced in size and printed on a durable plastic card. It is easy to read with a standard magnifying glass routinely carried by medical professionals. Please note that separate papers or other forms cannot be accepted; be sure all information appears on the Gateway Emergency Medical Data Form.

As a member, you may order one free medical card per account each year. It's important to update your card annually to ensure your data is current. You will receive a reminder and renewal form every 12 months. If you need to update your card more often, you may do so for only \$5 each. You may also order cards for your spouse, children and other family members for only \$5 each. Similar cards cost \$8 to \$20 from other sources. To order extra cards, request and complete an additional Gateway Medicard Data Form for each individual.

# Gateway Medicard

In an emergency, getting vital health information to medical personnel quickly could be critical. Your Gateway Medicard keeps your personal medical profile handy at all times. You'll feel more secure knowing emergency medical personnel will have access to data needed to administer appropriate care.

When you send in your completed Gateway Emergency Medical Data Form, it is reduced in size and printed on a durable plastic card. It is easy to read with a standard magnifying glass routinely carried by medical professionals. Please note that separate papers or other forms cannot be accepted; be sure all information appears on the Gateway Emergency Medical Data Form.

As a member, you may order one free medical card per account each year. It's important to update your card annually to ensure your data is current. You will receive a reminder and renewal form every 12 months. If you need to update your card more often, you may do so for only \$5 each. You may also order cards for your spouse, children and other family members for only \$5 each. Similar cards cost \$8 to \$20 from other sources. To order extra cards, request and complete an additional Gateway Medicard Data Form for each individual.

For more information and to print the Personal Medical Profile form, please visit **[www.egroupmanager.com/medicard/](http://www.egroupmanager.com/medicard/)**. If you do not have access to the Internet, please call **1-800-992-8044**.
